

Acknowledgement statement for Chandrayaan-1 data release

When publishing a paper using Chandrayaan-1 data, please include the following acknowledgement, preferably in the abstract.

“We acknowledge the use of data from the Chandrayaan-1, first lunar mission of the Indian Space Research Organisation (ISRO), archived at the Indian Space Science Data Centre (ISSDC)”.

If you have used the Chandrayaan-1 results and carried out further interpretation or modeling, please include the following statement in the acknowledgement.

“The research is based (partially or to a significant extent) on the results obtained from the Chandrayaan-1, first lunar mission of the Indian Space Research Organisation (ISRO), archived at the Indian Space Science Data Centre (ISSDC)”.
